

Illustrative transcript sample

Podtyper export guide - original example script

Free preview from Podtyper (podtyper.com): this file covers about the first 30 minutes of the episode. Subscribe on a paid plan at <https://podtyper.com>, then open your saved episode and choose Get full transcript for the remaining audio and a clean export without the watermark.

AI-generated transcript. It may contain mistakes. Review before quoting or publishing. Questions: support@podtyper.com

00:00

This is an illustrative podcast script written for the Podtyper export guide.

00:12

Before quoting an episode, check the words against the original recording.

00:24

Save a PDF for reading and annotation. Choose TXT when you want to edit the text in your notes.

00:38

A timestamp helps you find the original passage. AI transcription can make mistakes, especially with names and numbers.

00:52

This sample demonstrates file layout only. It is not a customer transcript, a Spotify episode, or an accuracy test.
